Quella

**Instructor:** Charlene Abrams

**Skill Level:** Intermediate

**Prerequisite:** cubic right angle weave

**Class Price:** Class Price: \$43 + \$0.80 for 8 crescent beads (enough for one Quella Beaded Bead), multiple sets available

These lightweight beaded beads pack a punch in terms of texture and shape, but work up fairly quickly. The variety of beads required allow you to play with colour, either picking a highly contrasting colour palette, or staying within a narrow slice of the colour wheel for a more soothing effect. One or two make perfect, swingy, lightweight earrings, and multiples would be gorgeous in a necklace or bracelet.

If you don't have crescent beads in your stash and need to purchase them:

- For one Quella beaded bead, you will need eight crescent beads (\$0.80)
- For two Quella beaded beads, you will need sixteen crescent beads (\$1.60)
- For three Quella beaded beads, you will need twenty-four crescent beads (\$2.40)
- For four Quella beaded beads, you will need thirty-two crescent beads (\$3.20)
- For five Quella beaded beads, you will need forty crescent beads (\$5.00)
