(BRING A SNACK)

Sterling Patterned Wire & Twisted Rings Bracelet

Skill Level: Beginner

Instructor: Debbie Garavaglia

Class Price: \$89 (includes kit)

In this class you will learn to bend pattern wire to your will and twist sterling silver wire to make large jump rings. You will cut your jump rings. You will solder your jump rings. You will do some filing of all components and assemble your bracelet. We will put your bracelet into the tumbler at the end so it is bright and shiny for you to wear home. This is a very nice, very heavy bracelet for dress-up or everyday wear. **(You will need to purchase your own sterling silver lobster clasp closure)**

Supplies:

(You will need to purchase your own sterling silver lobster clasp closure)

heavy duty wire cutters

heavy duty chain nose pliers

flat nose and chain nose pliers

metal files

rawhide hammer

steel bench block

Class Policies

- You may cancel or transfer a workshop up to 3 days (72-hour) prior to start of workshop. Your class payment minus a \$5 transfer/cancellation fee can be credited to your credit card or refunded as a store gift card. If you cancel within 2 days (48-hours) or less from the start of the class, you will forfeit all of monies paid toward the class fee.

- Workshops by guest instructors require a two week (14 days) notice of transfer or cancellation. Cancellations made with less than two weeks notice will forfeit the entire class cost.

- You may find another person to take your place in lieu of canceling, as long as the substitute meets the pre-requisites of the workshop.

- "No-Shows" will forfeit all monies paid toward the class. If you can not make the class consider sending someone in your place.

- Register early or the class may be cancelled due to low enrollment.

- Full refund is issued for any classes cancelled by Lady Bug Beads or the instructor for any reason.

- Prices subject to change without notice. Lady Bug Beads is not responsible for misprints or typing errors.

- No refunds will be given after class has transpired.
