Copper Cuff Bracelet Made With Hydraulic Press and Heat Treated Patina

Skill Level: Beginner

Prerequisites: None

Instructor: Debbie Garavaglia

Class Price: \$78 (includes kit)

You will be making a lovely copper cuff using a hydraulic press to form the bracelet. You will learn how to apply a heat patina and preserve it. (If time permits, you may make a second bracelet to either finish in class or take home with you to finish.)

Supplies

rawhide hammer

metal files (heavy and fine)

oval steel bracelet mandrel (wooden one will due if that is what you have)

chasing hammer

2 pair flat nose pliers

Round nose plier

metal cutting shears

sanding sponges

polishing papers

ruler

black magic marker (fine)

bench block

bench pin

Heavy duty Xuron wire cutters

eye and ear protection

Class Policies

•You may cancel or transfer a workshop up to 3 days (72-hour) prior to start of workshop. Your class payment minus a \$5 transfer/cancellation fee can be credited to your credit card or refunded as a store gift card. If you cancel within 2 days (48-hours) or less from the start of the class, you will forfeit all of monies paid toward the class fee.

•Workshops by guest instructors require a two week (14 days) notice of transfer or cancellation. Cancellations made with less than two weeks notice will forfeit the entire class cost.

•You may find another person to take your place in lieu of canceling, as long as the substitute meets the pre-requisites of the workshop.

•“No-Shows” will forfeit all monies paid toward the class. If you can not make the class consider sending someone in your place.

•Register early or the class may be cancelled due to low enrollment.

•Full refund is issued for any classes cancelled by Lady Bug Beads or the instructor for any reason.

•Prices subject to change without notice. Lady Bug Beads is not responsible for misprints or typing errors.

•No refunds will be given after class has transpired.
