Duality Pendant

Skill Level: Intermediate

Prerequisite: cubic right angle weave, netting

Instructor: Charlene Abrams

Class Price: \$43

This asymmetric pendant has two holes through which to thread your necklace, forming an arc with two free-hanging drops, each terminating in an ornate fob with a downward-facing rivoli. A single-drop pendant can just as easily be created if preferred.

Prefer a lariat? Attach a single drop or a paired drop to each end of the lariat chain.

Want much MUCH more? Thread half a dozen pendants on a necklace, using larger beads/fatter sections to separate and spread them out.

Don't like lariats or necklaces? Make a tall statement ring and get noticed!

Materials listed are for the double-drop version of the pendant. Choose size 15°s that really pop against the 6mm beads
